help to heal yourself

## **Ethical guidelines**

### **DECLARATION**

In adherence to this agreement with the Humanitarian Organization Hearts & Hands (HH), and without remuneration, I undertake to put my abilities at the disposal of people who might need help through healing.

I agree with the statement that Hearts & Hands is universal in the sense that my faith or tradition are irrelevant in this service.

I agree with the statement that the activities of Hearts & Hands are not an alternative to any existing treatment, but must be seen as complementary.

I agree to keep all knowledge about the clients that I might receive through my service as strictly confidential.

I accept to work anonymously and agree to the conditions that I may not use my service to promote private therapy.
